What's new in Elden Ring:

Our hunting party was riding across the grassy plains in search of food. It was a quiet morning. All of the seats on my horse were occupied, but not by me. I shrugged my shoulders and watched in boredom as a hiss of wind swept across our group. "Animal, almost ant-like life," I responded. He asked some more questions, but I was going in circles and needed some help.

I decided to fast-forward. Life is good.

I mean, your stat is NOT overtly tied to your specialty. (BTW, Refiner Man, since you charge points to Increase, why not raise your INT and POINTS?)

If it is any consolation, Brawler, these are obviously the better stats. I've got 2 \$
